Riepilogo

Outdoor & Lifestyle Commercial Photographer | Marketing and Communications Expert

With extensive experience in commercial photography, I specialize in Outdoor and Lifestyle shoots, capturing authentic and engaging stories through my lens. My career has been enriched by a solid understanding of marketing and communication, allowing me to understand and meet client needs strategically and effectively.

I am an easy-going and collaborative individual with a proven ability to work in dynamic, multidisciplinary teams. My skills in time management and problem solving enable me to tackle challenges with creativity and precision, ensuring high-quality results within deadlines.

Always seeking new opportunities to grow and innovate, I am dedicated to adding value to every project I work on, keeping visual excellence and client satisfaction at the forefront.
